

precautions

before coming in:

- Put on a face mask
available for \$1 if you don't have one
- Use hand sanitizer
- Reschedule if you or someone you live with has cold or flu symptoms

while in the shop:

- Leave 6 feet of space between yourself and others
- Be judicious about what you touch
we're not saying you *can't* touch things — just refrain from touching *all the things*. :)
- Please respect the time limit
- Sorry, no cash transactions, reusable bags, or public restroom

WELCOME

we're glad you're here!

have an appointment?

- Check the flip-sign to confirm that the shop is available.
- Review and follow the precautions
- Knock on the door and we will happily let you in!

no appointment?

If the flip-sign indicates that the shop is available, you're welcome to come in for up to 30 minutes or until the next appointment. Please review and follow the posted precautions. Thanks!
